

Limited Expense Health Care

Flexible Spending Account with Carryover

If you're enrolled in a qualified high-deductible health plan and have a Health Savings Account (HSA), you can maximize your savings with a **Limited Expense Health Care FSA (LEX HCFSA)** under the Federal Flexible Spending Account Program (FSAFEDS). This pre-tax benefit account can be used specifically for your eligible out-of-pocket dental and vision expenses.

Why You Need It

- Save up to 30%[†] on eligible out-of-pocket dental and vision expenses
- Maximize your tax savings with both an HSA and a LEX HCFSA
- Eligible employees can carry over up to \$550 to the following plan year—there's virtually no risk of losing your hard-earned money if you re-enroll the following year

How It Works

Simply decide how much to contribute to your LEX HCFSA account to pay for your eligible dental and vision expenses, and funds are withdrawn from your paycheck for deposit into your account before taxes are deducted.

Your total annual election amount is available on day one of the plan year. The FSAFEDS LEX HCFSA lets eligible employees carry over up to \$550 in account balances from one plan year to the next if you re-enroll during Federal Benefits Open Season. With far less "use or lose" risk, there's no reason not to take advantage of the tax savings every year.
